

Admissions Requirements

Entry requirements for the Course in Pre Foundation Studies have been set in order to select potential students who have proven academic ability and are able to demonstrate a solid foundation of skills in both Mathematics and English. Intending students should meet the following criteria:

- **Age requirement**

Normally there is no age requirements for the academic entry to the CPFS.

- **English language requirement**

Applicants must:

Have at least 60% or higher in the WIUT CPFS entrance exam (or the WIUT Lyceum entrance exam) to enter Level 2 BEAP. Candidates with IELTS 5.5 are accepted to BEAP2 without entrance exam. Candidates with IELTS 5.0 can be accepted after an interview.

Have from 40-59% in the WIUT CPFS entrance (or the WIUT Lyceum entrance exam) exam or IELTS 4.5-4.0 to enter Level 1 BEAP.

Have minimum 40% for the CPFS entrance exam on English or the WIUT Lyceum entrance exam on English for taking the optional module Study Skills.

- **Mathematics requirement**

Applicants must:

Have at least 30% or higher in the WIUT CPFS entrance exam (or the WIUT Lyceum entrance exam, excluding any logic questions) to enter Level 2 BaQS. If a candidate has received less than 40% but more than 30% and is willing to study intensively, they are eligible to take Level 2 BaQS *Intensive*.

Have from 20-29% in the WIUT CPFS entrance exam (or the WIUT Lyceum entrance exam, excluding any logic questions) to enter Level 1 BaQS.

N.B. Westminster International University in Tashkent reserves the right to amend these entry requirements as the need arises.

General requirements

Applicants must have completed 9 years of Secondary Education in Uzbekistan (or equivalent in another country); (or 8 years if SE duration is amended) and have received their Middle School *Attestat* (or equivalent) for taking Intensive modules, BEAP 2 and BaQS 2, as those are core.

A candidate must have a proper level of Math and English skills and knowledge in order to meet the requirements of Level 1 and 2

- to be able to express themselves fluently in both spoken and written English;
- to analyze numerical data
- to be able to enter by presenting the results of the Lyceum entrance exam without having to take the entrance exam at the CPFS (BEAP 1: 40%. BEAP 2: 60, BaQS 1: 20%, BaQS 2: 30%) or presenting GMAT 350 for BaQS 2 and 300-250 for BaQS 1
- to be able to enter CPFS without having to take the entrance exam at the CPFS by presenting IELTS (BEAP 1: band score 4.0-4.5, BEAP 2: band score 5.0 - 5.5.),
- to be able to enter the CPFS course by having at least IELTS 4.5 or TOEFL 25-30 and IELTS 5.0, 5.5 or TOEFL 35-50
- to be able to enter by presenting the results of WIUT Maths entrance exam without having to take the entrance exam at the CPFS
